Chairperson

MESSAGE FROM CHAIRPERSON

It gives me immense pleasure to extend warm greetings as we continue the inspiring journey of Sai Educational Society (SES) - a Shiksha Kendra built on dedication, unity, and shared purpose. since its inception, SES has grown through collective effort and unwavering commitment.

Today, we are proud to support over 280 students, reflecting the trust and encouragement we have received over the years.

FOUNDER'S JOURNEY

- Ms. Preeti Rani, from Lukhara in Uttar Pradesh, grew up in a modest farming family. Despite limited means, she stayed committed to her education and went on to complete her post-graduation from IGNOU.
- Her life changed when she noticed underprivileged children playing on the streets—children who should have been in school but had no access to education. Deeply moved, she decided to take action.
- With no formal setup or resources, Preeti began teaching these children herself. She would walk several kilometers every day, even while dealing with personal and health challenges, just to ensure they could learn.
- Her journey is a powerful example of grassroots leadership, genuine compassion, and a self-driven effort to bring education to those who need it most.

ABOUT SES

SAI EDUCATIONAL SOCIETY (SES) Noida, Uttar Pradesh is dedicated to imparting SHIKSHA to the poor and disadvantaged young beneficiaries, who are in need of our support, and we have been making a positive impact in the field of education for the community since our inception.

SES aims to educate the young beneficiaries irrespective of the gender, creed, religion, region, etc whose parents are unable to support their children's SHIKSHA at this stage. Through our previous initiatives, we have seen first-hand the transformative power of collective action, and we are confident that with the support, we can achieve even greater success. All educational services are provided free of cost.

Besides the SHIKSHA SES is also focusing on the overall development of young minds by way of conducting various routine health camps, recreational activities, cultural activities within the school and outside to expose them to cultural exchange and build awareness from an early age.
